Website *BERND ROHRMAN'S BOLD RUMINATIONS <BRBR>*

This was until August 2024 the "Rohrmann Space Website" <RSW>

Documentation of the current structure

📄 RohrmannSpace Website "RSW"

The frontpage, beside textlines above it and below it, is a coloured matrix of 3x3=9 fields.
It contains 4 main sections and 3 special sections.

Current structure - four main sections:

- ◆ picture galleries from my travels (PGTC)
- ◆ eclectic eco-logical thoughts and things (EETT)
- ◆ bernd's board for lateral lengwitch (BBLI) {actually: lilac section}
- ◆ music events for friends (MEFF)

Current structure - three special sections:

- ◆ exacting essays abstout thrilling targets (EETT)
- ◆ brave booklets about music matters (BBMM)
- ◆ sporadic stories about life lanes (SLL)

Current middle field:

- * it shows the sculpture of a man -- *an ironic pic of BR*
- * when touching it with the mouse, the structure below it becomes visible

Content of the brown middle field *under* the picture:

There are 4+3 items, informing about the areas of RohrmannSpaceWebsite .

◆◆◆ Content of main sections:

PGTC = picture galleries from my travels:
Currently (May 2021) 98 countries or regions visited by me presented, using my pic's. Of these, 18 are not-yet-completed galleries.
Number of all PGTC galleries: about 200, with >2000 pic's.

EETT = eclectic eco-logical thoughts and things"
Very long essay with about 90 pictures

BBLL = bernd's board for lateral lengwitch ()
Has 9 texts and 6 pic's.

MEFF = music events for friends ()
Documentation of MMEFF's 1996-2020, with texts and pictures

BCUL is a pseudo-doco of "bernd coping with university life".
Consists of 8 rather ironic galleries, containing between 6 and 16 pictures,
and textline above each pic.

◆◆◆ Content of special sections:

EETT = exacting essays about thrilling targets:
Contains 18 booklets

BBMM = brave booklets about music matters
Contains 7 booklets

SSLL = sporadic stories about life lanes
Contains 3+10+8 booklets
All booklets are reports or essays, with lots of pic's
